

Bespoke Catering Kiosks

from
AJC Retail Solutions

Create your retail environment.

If you would like to deal with a company that can design, build, brand and install a catering kiosk in a location of your choice then contact us.

We offer bespoke, quality kiosk designs for busy retail environments. We manufacture and source a huge range of catering equipment so that you can maximise your return on your investment. Kiosk sizes from 2.5m upwards.

We manufacture everything from budget school units to full retail units for high profile locations. If you want to be seen, we will help you with branding too.

AJC Kiosks

The design process

Take your ideas to reality.

The design and layout of your retail kiosk and selection of appropriate equipment are critical to your business success. The equipment you choose will significantly impact on how your Kiosk performs. We can help you design a layout that maximises income whether it be high output coffee or through a 'grab and go' concept.

We will contact an initial site visit to understand your needs.

We offer the following services;

- Provide a layout drawing
- Produce finalized drawings on order
- Produce method statements and risk assessments
- Assist with Materials and equipment selection
- Manufacture
- Branding
- Delivery, handover and installation
